

With the holidays approaching, we would like to offer you the enclosed specialty items as ideas for all your gift giving needs.

We offer the service of shipping these products to 48 states. UPS Ground service will be used for Iowa and certain surrounding states, including Minnesota, Nebraska, Missouri, Illinois, and Wisconsin. All other states will be shipped 2nd day UPS AIR to insure your meat arrives safely and wholesome in all kinds of weather and conditions. **We cannot guarantee products shipping the week of Christmas, as UPS will not guarantee delivery.** We ship your gifts in a reusable, heavy duty Styrofoam cooler with ice packs so they arrive fresh and wholesome to your door or to the doors of your family and friends.

Because of the busy Christmas holiday season, we will be shipping your gifts as early as possible. We ship on Mondays and Tuesdays only to assure the product arrives in a wholesome condition. As gifts are made and shipped fresh, we ask that your orders are placed **prior to December 2nd** to allow ample time for processing. We always try our best to accommodate our customers!

The listed prices are based on product pick-up at our plant. For products that need to be shipped, the appropriate rates will be added to your invoice.

We sincerely appreciate the opportunity to do business with you and want to offer you a hassle-free shopping experience!
